1. *WileyPlus* homework will be accepted within ten days beyond the posted deadline. Extension requests are processed automatically.
2. Each test will require a full class period (75 min). Make-up tests will be given only in certain circumstances. In such cases, the student should make prior arrangements with the instructor, if possible.
3. Quizzes will last about 10 minutes, at the end of the period. The lowest two grades of the eight quizzes will be dropped.
4. The *minimum penalty* for cheating is failure in the course. A student who improperly aids another with a homework assignment, a test or the final exam is considered to be equally culpable. Incidents of academic dishonesty will be reported to the Chairperson of the Department and to the appropriate Dean.
5. We will rely upon Piazza for online communication among students and staff.
